

HOW TO DRAW DOGS

With your favorite Crayola® Dry-Erase Marker, follow the steps below and learn how to draw a dog!

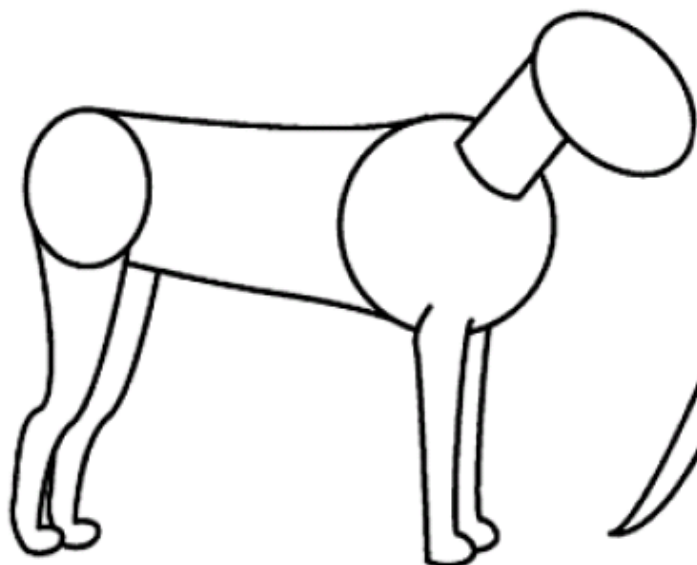

1. Lightly draw a circle and an oval with lines connecting the tops and bottoms.

2. Add legs from the bottom of the circles.

3. Add a neck and oval head for your dog. Make sure the head is in proportion to the dog's body.

4. Add details to the dog, including a tail, ear, eye, nose, and mouth.
